

HERFURTH LOGISTICS

Rotterdam, 23-04-2021

Dear Partners,

First of all, we would like to thank you all for the support we have received from you. Especially during the ongoing Covid-19 pandemic.

Since the take-over of M-Star Freight Services by Herfurth Logistics in 2017, we have been operating under the name of "M-Star Freight Services BV" and our projects have been conducted under the brand name of "M-Star Projects, powered by Herfurth Logistics".

In order to be unified under the Herfurth Group, as of **3rd of May 2021**, the following will be changed:

All general logistics services and operations will be conducted under the name of **"Herfurth Logistics BV."**

This only means, that our company name will change from M-Star Freight Services BV into Herfurth Logistics BV. No other changes will be done, as our CoC nr, bank account number and contact details will remain as is.

Our project logistics will conduct further under the brand name of **"M-Star Projects, powered by Herfurth Logistics."** Also here, no changes in the current company details. All details will remain as is.

However, it's possible that you will receive, during May, still M-Star Freight Services invoices. This unfortunately cannot be changed because of already pre-booked orders. Our excuses for any possible inconvenience caused.

We do hope that we have informed you accordingly but in case you might have any questions, please do not hesitate to contact our Management-team:

Mr Peter Terhorst	General Manager Export & Projects
Mr. Chris Wijnen	Manager Import/Export sales & operations
Mr. Jan Euwema	Business development Manager
Mr. Andreas Veith	General Manager

With kind regards and stay healthy,

Andreas Veith / General Manager
Herfurth Logistics BV / M-Star Projects, powered by Herfurth Logistics
